Episode 3  
Rapunzel

Then, you  
won't  
be a foreign  
refugee

I came  
to the  
wrong  
place

Yes,  
everybody  
misunder-  
stands

This is a place  
to keep a  
valuable foreign  
refugee

Then I'm  
leaving.  
Excuse  
me

But now that  
you're here...

Why don't  
you try  
one? It'll  
be fun

No, I must  
arrange to  
buy some  
or another

They're  
for kids  
to enjoy

Even if the  
the kids,  
are about  
all business.

...What do  
you show?

How about  
Rapunzel?

Rapunzel?  
I know that  
story.

It sounds like  
what I  
was  
going to  
tell you  
about  
the other  
night.

Well, if you  
really experience  
it, you can feel  
different things.

Would you  
like to see?

Yes Please  
show me

Long time ago  
there lived a  
married couple  
Then desperately  
wanted a child,  
but as the years  
pass they were  
without success

That perhaps  
they  
were  
helped by  
a god  
and they  
finally had  
a child

Though  
I had a  
child after  
many, many  
years but it  
was not

Raising children  
is a task You  
shouldn't feel  
happy about it.

PH. Note: The author would like to thank  
Rapunzel aka Rapunzel at a lovely place  
where you can see rapunzel or rabbits from a cabbage  
bridge. Here with you at <http://www.rapunzel.com/rapunzel.com>

Ah...

Those  
cabbages  
really look  
delicious

It would be  
so nice  
if I could  
eat them...

Don't you  
see that? You  
are looking  
quite pale

Don't I want  
to eat the  
cabbages? I'm  
not  
hungry.  
I feel like I am  
going to die  
if I don't.  
What  
should  
I do?

What  
are you  
doing in  
my garden?

Hi...  
I'm...  
Joan...  
the  
witch!

Please  
save me...

Hi...  
Joan...  
the  
witch!

Is he calling  
me a witch?

...but he doesn't  
know I'm a witch.  
What a long way  
to walk to find  
me!

My wife is  
pregnant  
and we're  
looking for  
a new cottage.

Please be  
merciful  
to me

Oh...

If your  
cottage  
is like that,  
you can take  
the cottage

That  
there is  
some  
cousin here

When our wife  
has the baby  
you should give  
the child to me

What?  
Really?

Don't worry  
I will look  
after it like  
a mother

Must I?

Right, well it's a  
big price to pay, but  
you must pay for  
what you're doing

The husband was scared  
of the witch so  
he gave her her child. When his wife  
had the baby, the  
witch quickly took her  
away, and gave her  
the name Rapsanel

As

Yes, yes  
Hmph You do  
look pretty

Sh. Kaka

Yes...

Hyun Gyeong  
was very  
cute when she  
was young

When I  
was studying  
here, I would  
forget the  
pain from  
others who  
bent and  
left me.

I wanted  
to raise  
her up  
well.

Because I had  
her, I could  
stand those  
long years.

5

Rapunzel grew up to be the most beautiful girl in the world, and when she was 17 years old the witch looked her up and said a tower

11

In this  
forest, there  
was an  
ancient  
and  
mysterious  
and  
mysterious  
and  
mysterious  
and  
mysterious

100

When I was  
understand  
what the world  
is thinking

My only party child,  
I wanted to be  
in the house  
and with me  
I was like a boy  
and a girl, and  
I was very much  
and very much

Of course, it was  
very hard

Because when  
you step down to  
with the world is  
full of dirty things

You have to see  
the disgusting  
things and all things

Several legends  
between  
you and  
me

Hong

When the  
witch shouted like  
this, Paparazzi  
let down her long  
hair, which was  
longer than 20 ft,  
and the witch  
climbed up it.

130 in., about 28  
feet or 21.6 meters

Also, she hangs it  
on the bank. Right,  
a girl can't let you  
up that high.

A few years  
passed,  
and a prince  
who was  
crossing  
the forest  
passed by  
the tower.

Ah, she has a  
beautiful voice.

I think that beautiful  
voice is coming  
from the top  
of the tower.

There is no  
entrance anywhere.  
How do I climb up?

Raped  
and  
became  
she was  
bored.

It's such a  
beautiful  
song...

So the prince  
came to the  
forest everyday  
and listened.

Right.  
Of course  
A butterfly  
always entered  
the flower.

What  
is this?

I don't know. A  
tiny creature with  
a heart that was  
that of a man or girl.

That can't be  
helped. But  
why does it have  
to be so fast?

Raped, Raped,  
to down you have.

As dense the foggy  
misty surface  
of the forest when  
the machine starts

12 000

Dark begins  
to fill The light  
is dark

The name  
of a man  
walking and  
to a girl...

Expected  
Expected  
to come  
your face

The moment  
when the girl  
will become  
a woman...

Did she not  
notice that  
the voice  
was different?

Maybe she  
just wanted  
a way to leave  
the tower

It's okay to  
date him,

But you have  
studying and  
lots of other  
things to do

Why do you  
want to get married  
so early?

Didn't you hear the  
saying, "it's no go in  
like a grave to men  
and Hell to women?"

You're talented  
and smart. You can  
do a lot when  
you enter society.

Mom...

I know that it's  
early for marriage...  
but she wants  
to do it now.

I will...go  
with him and  
have a happy  
life...

Why do you  
have to  
get married  
so early?

Don't you want  
free single life where  
you can travel as  
much as you want?

You should  
graduate  
from university  
first and in marriage  
actually a lot money  
before getting  
married.

Your eye will change  
to me a lot more  
suddenly. You  
are too young now.

Why do you want to  
love me so early?

You are young. Why  
do you have to fall in  
love with men like that  
and do this to me?

There are a lot of  
independent women  
around you. Why  
can't you be like them?

Who...who  
are you?

I saw the prince, of this  
land! I was waiting for  
him, and I found your  
slipping on it some time.

Could you take me  
as your husband?

He is young  
and  
handsome...

He will love  
me more than  
any other  
girl...

Okay...

Yes, she thought  
like that...  
Of course...Of  
course...but...

Go with me from this place, Rapunzel!

And, stay in the dark as the darkness has

Of course I will. If you bring me beautiful flowers and food that you want, we can make a better and comfortable life.

Like Rapunzel who changed from a girl into a woman, did my daughter want to leave me too?

... So the prince only visited at night, so the witch wouldn't notice

Yes.

Shap

So...so do  
you really  
have to get  
married?

Pregnant

You're the  
trendiest one! Why  
do you sleep and when I  
meet a person  
who I'm in love  
with and  
want to marry?

Wouldn't  
I marry  
somebody  
anyway?

But you get  
pregnant and  
you're going  
to get married...

It's like  
you're crazy  
to get married.

You're  
getting married,  
you gotta' married.  
You have wanted this  
time that  
you wanted.

Why do you like  
him so much?

What's wrong?  
You've never  
before! What is  
it about you?

Why do you view  
the marriage  
so badly?

Do you think  
I am ready to  
end a marriage  
like you?

What?

You have  
decided who  
you are!

You should get married  
and have a husband!

You...you  
said that.

You were so lovely  
and now you're...

Do you want  
to leave  
me so badly?

Yes, you  
should  
get to the  
wedding.

That's right  
I'll go  
to the  
wedding.

I that's all I'm  
going to do.

She wants to  
leave me  
I don't care  
anymore

Well, yes, it  
could've been me  
who wanted to  
be a prisoner  
locked inside  
a tall tower away from  
the world.

I want to go  
back to the time  
before my  
marriage  
failed...

Maybe I  
was looking  
for that  
inside you

You- I didn't  
want you to be  
independent. I  
wanted you to  
depend only on me, like  
the witch.

You - changed  
who you  
depend on from  
me to a man.

Leave! I  
don't need  
a child  
like you!

Repariel  
was left alone in the  
wasteland,  
and she had a very  
sad and hard life.

You...you  
should pay  
for what  
you've done

You were looked  
after, but you  
were under a  
witch's protection

What? You want  
grapes to go to your  
mother's home to meet  
the group here?

It's because you have  
been raised by a  
single mother. You  
don't love my mother.

Why is that? Come to  
think of it, your mother  
didn't show herself after  
the wedding at all.

I'm sorry...

You should talk  
to her. There  
is also a well  
known point to  
graze so you  
with you also  
ought to  
meeting the you.

I did-

I know. More.  
Didn't you  
see her at the  
wedding?

She came to the wedding.  
She didn't  
seem as good  
anymore, but  
just had a  
cold, from  
crying about it...

She never  
called me after  
that.

When I called  
her...she hung  
up and told me  
not to visit...

Sister, Rhys  
Gwynn  
called me.

Don't talk  
about her!

She had a baby, just  
born, four months  
ago. It seems like  
her and her  
husband finally  
decided to  
sign up for  
the land she had

It's okay.  
I don't  
want to  
hear more.

As much  
as I had  
loved her,  
I love her

Did the witch  
just tried  
to be mean  
to her...?

## She Fall down

Rapunzel,  
Rapunzel,  
let down  
your hair.

Rapunzel, lower  
your greatest  
hair ..

Haha, you  
came to  
take a  
loving wife.

But that  
beautiful hair  
is no longer  
in the cage, and  
she is not singing anymore

You lost  
Rapunzel

Ms.  
Fush

You will never  
see her again.

What...?

Ms. Fush

At the  
Borneo!

My eyes!

Because he lost Rapunzel, the prince wandered around in sadness for a few years and ate only grass and wild strawberries.

And when Rapunzel  
told about the  
prince that  
she brought  
back to her life

This is one in  
the woods  
when Rapunzel was  
little girl,  
she brought  
grass back to her.

Twins...?  
Did Rapunzel  
get pregnant?  
Like my  
daughter...?  
Yes...I see...

5

So the prince  
who could see  
again brought  
them to  
his kingdom,  
and they  
lived happily  
ever after.

6

All the  
children had a  
happy ending.  
Isn't that  
great?

Everyone's happy  
now. That  
everyone really  
lives happily  
ever after!

Was the witch  
happy to be alone  
after becoming  
Exposed? not?

I don't know  
what happened  
to the witch  
at the end...

What was  
the witch thinking  
when she was  
watching the sunset  
on that tower alone

Or maybe she's  
waiting for another  
sacrifice to have in  
that tower. ?

...

**Sacrifice**

...?

**The sacrifice**

...I see...

Yes, I was  
thinking of my  
daughter as  
my possession.

I saw  
her as  
mine.

That is why I couldn't  
accept her refusal,  
her defiance, her  
independence...

I was angry, like the  
witch, that things  
didn't go according  
to my plan.

But her feelings  
are her own...

No matter  
what choice  
she makes,  
it's her life...

She is not  
mine...

It was me  
who was lonely  
and couldn't  
send her away.

If I really loved her,  
I shouldn't have let  
her get married like  
the Man - men -

I made her  
love like that  
because I  
didn't want  
her to have  
an unhappy  
marriage like me.

I am the  
red witch  
of the  
fairy tale...

The story is  
finished.

Yes...I'm  
sorry.

Yes, when I  
hear an old story  
again, it feels  
like a new story.

This surprise  
is... part  
of human  
nature.

It's nice if it  
helped you.

I think  
people can be  
wrong even  
if they are old

Hehehe...and  
when you are  
old, you can't  
be changed.

I don't even  
know the gender  
of my daughter's  
child...

I haven't seen her  
even after she  
gave birth and  
I don't know  
if she has a son  
or a daughter.  
That makes  
no sense

I actually  
really  
wanted to  
see you...

It's hard to  
get over your  
upset moments

Whether it's a good thing, or a bad thing, you're the most important when you realize it.

Yes...

Thank you for showing me a doorway

No problem. All you have to do is stop when you love.

Yes

Did the witch feel no love when she was raising Rapunzel?

Maybe that  
witch couldn't  
see Rapunzel  
again...

I'm very thankful  
to have a chance  
to forgive and  
get forgiven.

I wonder if  
she changed  
her cellphone  
number...

Ring

Beep  
Hello?

Ah.
